

## Biking and Skating@Hayground Offerings

We offer four types of Biking/Skating Sessions at the Hayground pump track. Regardless of the type of session you are registering for, the following holds true: Each child should bring his/her own helmet and close-toed sneakers and comfortable athletic clothing. If children have their own bikes that they are comfortable with, they should bring them. If they do not, we have a handful of bikes and helmets available for children to use.
